CONCEPTS OF ITALIAN INTERIORS

*MAGNIFICENT MARBLE!*

## **PROGRAM**

Interior design workshop

### **INSIDE DESIGN\_ CONCEPTS OF ITALIAN INTERIORS**

#### ***MAGNIFICENT MARBLE!***

#### **Description of the course**

The course is intended to explore one of the most inspiring materials since the antiquity.

Going from Michelangelo's masterpieces to modern design, students will learn about the multitude of different uses and interpretations of such an amazing material as well as technical features unveiling its magnificence and surprising versatility.

The course will include lectures, visits, guest speakers and reviews.

Students will have the opportunity to investigate marble design through a design project.

Students will be asked to provide a portfolio and a description of their computer skills and study background.
